REMAIL THE MAIL GONE ASTRAY

Friends promised to forward to me my mail. Not only did they fail me in their pledge but often what ever they did mail was done so too late to reach me at the destination. Most letters were returned to senders, some was lost. The whole matter was most upsetting and caused me great concern. However, start sending your letters again. All is normal (I hope) once again. I'm extremely sorry.

JANE FARWEL ILL

We were grieved to learn that Jane Farwel Henrichs, whose contributions to the folk dance field is sans measure, was taken ill after an ill-fated child birth. Her illness was diagnosed as TB, but she is out of danger and is probably now on her way to Germany. Her many admirers wish Jane a complete recovery soon. May God bestow His healing power on Jane.

FOREST FESTIVAL, ELKINS, W. VA.

Elkins, W. Va. in the center of the state, was the site of a very successfully colorful festival which included a great number of things, including folk and square dancing and exhibitions. Featured at that program were the Duquesne University Tamburitzans of instrumentalists and dancers who impressed greatly all onlookers. Other exhibiting folk dance visitors were the Dave Rosenberg dancers from Washington, D. C. and many other groups from nearer areas, as well as many top square dance callers.
